Congratulations on your purchase of **Lightspeed Restaurant**! We have numerous tools and resources available to help guide you through every step of the go-live process. Let's get started!

Step 1: Plan

Proper planning is a vital first step to ensuring your success with Lightspeed Restaurant. Our checklist (below) includes a recommended timeline that will help you stay on track. Plug in your dates and start planning!

Checklist

Key milestones to achieve before you go-live	Scheduled dates
✓ **Go-Live date** Set a deadline and plan around it	
✓ **Lightspeed Restaurant Manager onboarding session** **10–15 days** before your go-live date	
✓ **Menu configuration** **5–10 days** before your go-live date	
✓ **Hardware installation** **5+ days** before your go-live date	
✓ **POS onboarding session** **2–5 days** before your go-live date	
✓ **Practice run** **3+ days** before your go-live date	
✓ **Lightspeed Restaurant soft launch** **1+ days** before your go-live date	

Next Steps

- **Step 2: Getting Started.** A detailed guide to the system. Available during your Manager onboarding.
- **Step 3: Readiness Evaluation.** A checklist your staff can use to ensure they're ready to use the software. To be used after your POS onboarding session.
